

To whom it may concern:

I am writing in reference to a radio station I listen to K-LOVE. I listen to this station on 105.3 out of Jonesboro, Arkansas. This station has become an important part of our lives. It is an uplifting station that I am thankful to be able to listen to. It would affect us if it were to be replaced by an LPFM broadcaster providing other programming. I know of many others who listen to this station and feel the same as I do. It is important not to replace this station with an LPFM. Thank you.
